

Sip It Forward® Annual Application Form

Sip It Forward® is our “drinkable charity program” designed to make a significant financial impact to non-profits in our area. We are on a mission to create change, \$1 at a time.

With each pint of this Blonde Ale purchased in our taproom a \$1 token is given to the recipient. That token can then be dropped into one of the four charity slots to be counted.

On the anniversary date of Hoptown opening its doors, **March 22** each year, we will tally all the tokens dropped in each individual charity’s slot and they will then be presented with a check for 100% of the total raised.

This is ambitious, we know. However; giving back to our community is in our DNA.

The best part: you don’t even have to drink beer to donate to this program! \$10 pouches of tokens are also available to purchase for anyone who wants to provide additional support.

Applications are accepted October 1 through December 31 annually with notification of the FOUR selected charities in February.

The included application must be filled out by a member of the organization that has signing authority. In addition, please include your **Letter of Determination** documentation issued by the Internal Revenue Service. This will include the approval of your 501(c), tax-exempt status Issued on IRS Letterhead. The Letter of Determination includes the organizations legal name, and trade name (if applicable), EIN number, and effective date of 501(c) status.

We are excited that you are interested in being a part of our program.

Sincerely,

Sandy & Scott Plemmons
Managing Partners
